Chicago Grain and Produce.

CHICAGO, Dec. 12.—Light arrivals of hogs, and their poor quality made pork very strong at the opening on Change today. The May option opened at \$15.25, and advanced immediately to \$15.35. Saturday's close was at \$15.22½. Between 9:30 and 10:30 o'clock it dropped to \$15.17½, and advanced to \$15.27½, and before noon it sold up to \$15.35 under heavy buying orders.

May corn opened unchanged at 53¢ and sold to 54½ in the first fifteen minutes, but soon dropped back to the opening figures. There was an immense demand for it at 53½, and it kept up around 54 cents during the morning.

May wheat opened unchanged from Saturday at 83½; it sold down to 84¢, up to 85¢, and dropped back to 84½ by 10:30 o'clock. When the visible supply figures came out, it weakened perceptibly, going down to 83½; at 12:30 it was steadily steady at 84¢, but after this came sharp selling, and May wheat sold down to 83½, and May corn to 53½.

The leading futures were as follows:
